## Queerview Television Guide (The Weekend of August 20, 2010)

Posted by Lyle Masaki on August 20, 2010

It's a great weekend for comedy as *The Kids in the Hall* return to TV with *Death Comes to Town*. That's just a part of a busy weekend of gay TV as a gay competitor is in the *Design Star* final and E! debuts *The Spin Crowd*

### *Design Star* (HGTV) 10:00 PM

Team Gay, in the person of out designer **Michael Moeller**, has made it to the final round on HGTV's reality competition show. Will he grab the tiara **David Bromstad** so famously won in the series' first season and get his own show on the network, or will it be yet another season of "always the (gay) bridesmaid, never the bride"? Find out when judges **Vern Yip**, **Candice Olson**, and **Genevieve Gorder** pick the next winner of the interior design reality competition.
