

'Color Splash' Star David Bromstad: Create A Winter Wonderland In Your Home!

Try David's tips on how to get your very own white Winter Wonderland in your home this year!

Christmas is the season to be jolly and what better way to get into the spirit of the holiday than to decorate your home like a Winter Wonderland this year? HGTV's *Color Splash* designer **David Bromstad**, 37, tells **HollywoodLife.com** how to create the perfect winter landscape within your home!

First, David suggests putting tons of Christmas trees around your home. "I have twelve Christmas trees in my house and they're all clumped together," David tells us. "My neighbors think I'm crazy. They are like, 'Oh my gosh, look at all the trees!' [But,] it looks like a winter wonderland when it's all lit!"

He adds, "My favorite Christmas tree [in my home this year] is one giant one. It's all white and I have lime greens and reds."

David uses flocking to make his trees look like they have snowy branches. And, to make the overall essence more cheerful and happy, he suggests trying something funky.

"Bright colors are really hot," he explains. "Turquoise, pinks, purples, reds ... really bright candy colors. So fun!"

Yummy! Sounds like if you follow David's tips, your home will be truly scrumptious this year!
