

ZOMG- HGTV'S DAVID BROMSTAD ON CHATS WITH CREATIVES @BROMCO

Yes, hello there, David Bromstad, of HGTV fame!

This **Chats with Creatives** is a bit of a departure from the regular 10-question interview, but I did get to ask David some of the important CwC questions at the HGTV pop up shop at the King of Prussia mall a couple of weeks ago (thanks, Dad, for hearing about it on the radio!)

WHO IS DAVID BROMSTAD?

If you're not familiar with David Bromstad...

David Bromstad is an interior designer and artist, winner of HGTV's first Design Star, and TV host on HGTV's Design Star and other shows. His **resume**, of course, is impressively long, and there are only even bigger and better things in his path!

HIS STUDIES AND EARLY WORK

According to David Bromstad's **bio**

Growing up in small town Minnesota, David's budding creativity and passion for drawing led him to the Ringling School of Art and Design in Sarasota, Florida.

Then shortly after graduating, he worked at Disney World and his designs and installations are still in place there. Talk about a great way to launch a career!

WHAT IS YOUR FAVORITE PART OF THE DESIGN PROCESS AND WHY?

David laughingly said "spending other people's money", which when you have amazing clients, is very true I'm sure! However, on a more serious note, David Bromstad said the best part of the design process is working with his clients and getting them to push their limits and discover new tastes and trends outside of their normal comfort zone.

He also loves to *create* and be in that zone where he can come up with lots of great new ideas.

WHERE DO YOU FIND INSPIRATION?

David Bromstad's biggest source of design inspiration is through **Philippe Starck**, *inventor, creator, architect, designer, and artistic director.*

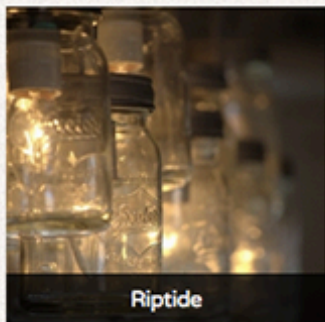

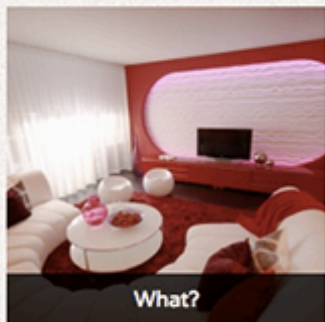

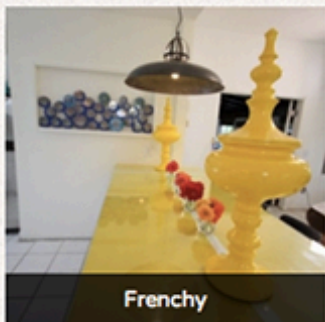

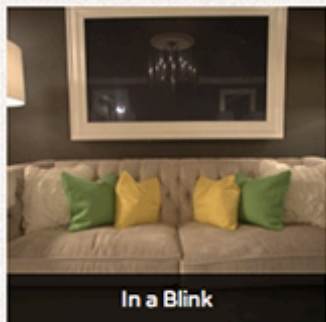

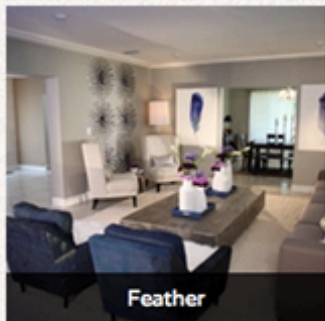

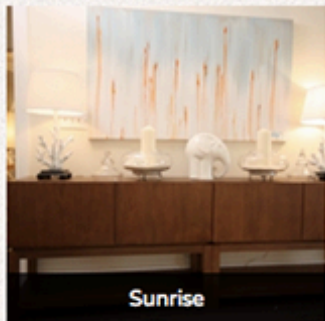

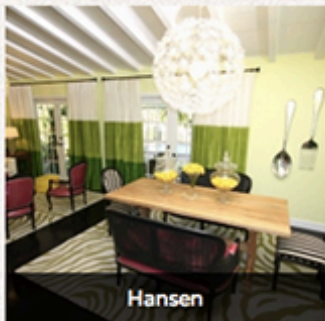

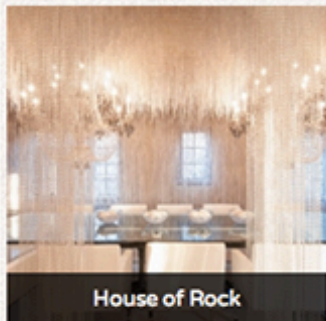

Here's a peek at David Bromstad's amazing interior design and fine art portfolio from his site.

Chatting with David Bromstad was fantastic; you can tell he is truly a great person! My mom and I got to give him a hug and I loved watching all of the star-struck teenagers and women in line.

If you could ask David Bromstad any question, what would you ask him?
