## AFFAIR TO REMEMBER

SPRING FASHION 2014

On Wednesday, March 12, *Los Angeles* magazine hosted the annual Spring Fashion Soirée in celebration of our March fashion feature, "Affair To Remember," starring Steven Yeun and Lauren Cohan from AMC's hit series, *The Walking Dead*. The poolside fete at Avalon Hotel Beverly Hills saw trendsetters and fashionistas pose for fashion illustrator Mona Edwards as they sipped Stella Cidre and wine from Malibu Family Wines. Guests also customized Saddlecock Sparkling Brut with their choice of garnishes at the Bubbly Bar. The night's bites came in the shape of lavish hors d'oeuvres and treats by Oliverio at Avalon Hotel and Sprinkles cupcakes.
