"DO THEY THINK IT'S HALLOWEEN" EDITION

Pamela Anderson
RYAN: And we're all surprised because...?
JARETT: Can you imagine saying, "Yep, that's my mom"?
DAVID: This is what happens when adult film stars crash fashion shows.
COOPER: Nope, it's not Mardi Gras. This is how she dresses.

Kelly Osbourne
COOPER: She's on her way home to walk Dino.
RYAN: Yabba dabba don't.
CHRIS: More like Flint-stoned.
JARETT: Kelly's track record in fashion has always been spotty.
DAVID: I don't think Fred would be very pleased with this look.

Pete Wentz
JARETT: Institution chic? Someone tell Courtney Love!
RYAN: Yes, Ashlee Simpson-Wentz's dad is *that* controlling!
DAVID: Being married to Ashlee is that bad, huh?
COOPER: Hopefully, this will stop Pete from making any more music.

Lady Gaga
RYAN: Okay, okay, we get it — you're edgy. Ugh, enough already.
DAVID: I just want to pop her open and stick her in my drink.
JARETT: OMG, I have a candle that looks just like this!
COOPER: White after Labor Day is the least of her problems.

Lindsay Lohan
JARETT: If I fell as far as Lindsay's career has, I'd be in mourning, too.
RYAN: With that long front zipper, Lindsay is pretty much showing she's a sure thing.
DAVID: And you wonder why you're out of work, Lindsay?
COOPER: Carmen Miranda Rights.
